
T N Shambulinga

Computer science student

Ballari (currently Mysore) - 583116

9008330694

shambutn@gmail.com

SKILLS

Full stack web development: React(front-end), Node.js, Express, PostgreSQL.

Programming languages: JAVA(OOPS), C, SQL, JS.

Data structures and algorithms.

Problem solving.

EDUCATION

JSS Science And Technology University, Mysuru - *BE in Computer Science and Engineering*

2022 - PRESENT

- CGPA - 8.64

Pupil Tree PU College, Ballari - *Pre-University*

2020 - 2022

- Percentage - 93.33%
- KCET rank - 7353

Shree Nandi Residential Public School, Kurugodu - *School (CISCE)*

PASSED OUT - 2020

- Percentage - 91.4%

ABOUT AND PROJECTS

I am a dedicated student pursuing a Bachelor of Engineering in Computer Science at JSS Science and Technology University. I am passionate about **web development, programming, and problem-solving**. I am actively learning and exploring advanced web development technologies, including React and backend frameworks like Node.js, to build robust and scalable applications.
